OBJECTIVE

Highly skilled and dedicated software testing professional with 2+ years of experience seeking a challenging position in software testing to utilize my expertise in ensuring the quality and reliability of software products.

EXPERIENCE SUMMARY

- Over 2+ years of experience in Automation and Manual Testing and ISTQB certification on AI Testing in Udemy.
- Hands on experience with Selenium WebDriver using Java Automation for both frontend and backend.
- Experience in API automation using Rest Assured.
- Worked on Automation framework such as Hybrid and Page Object Model
- Experience in Postman for API Testing
- Have a Good Knowledge in Playwright.
- Expertise in Functional Testing, Integration Testing, Smoke, Regression, Cross Browser, Database testing and review test cases and Mobile Application Testing (Android and IOS).
- Have a knowledge in Bitbucket, JIRA, Confluence, Maven and Jenkins.
- Good grip on IntelliJ IDEA for automation.
- Experience in Performance testing using JMeter and Security testing using BurpSuite.
- Expertise in backend & database testing writing SQL queries in DBeaver
- Proficient in creating test strategies, test plans and Requirement traceability matrix.
- Expertise in identification of Scenarios, develop Test Cases using Test Case Design Techniques and prepare Regression suite.
- Involved in User Acceptance Testing and Sanity testing.
- Involved in Test effort estimation, tracking status of the project and Handled project status meetings.
- Strong communication with stakeholders, oral presentation, and collaboration skills, with a proven ability to work effectively in cross-functional teams.

SKILLS

Manual Testing: Unit, Feature, Database, Integration, System, Regression, UAT and Smoke.

Manual API Testing: Rest API testing in Postman

Automation Testing: Selenium WebDriver, Rest assured, TestNG, Jenkins and Playwright.

Tools: IntelliJ IDE, Postman, Dbeaver, SQL Workbench JIRA, Bitbucket, JMeter, Confluence, BurpSuite and Jenkins

Operating Systems: Windows, Linux and Mac

Programming Language: Java

WORK HISTORY

Project#1:   DEMP (Digital Employee Management System)

Duration   :   Sep 2022 to till date
Company   :   Rakuten India

Project#2:   RCMS (Rakuten Contract Management System)

Duration   :   Nov 2023 to till date
Company   :   Rakuten India

Project#3:   CMT (Change Management Tool)

Duration   :   Mar 2022 to Nov 2023
Company   :   Rakuten India

ROLE & RESPONSIBILITIES:
 ➢ Actively participated in Agile ceremonies, including sprint planning, daily stand-ups, and retrospectives, ensuring alignment with project goals and objectives
 ➢ Working independently on 2 Projects with minimal supervision
 ➢ Contributed to Base Framework for Playwright Automation
 ➢ Involved in update of test scripts based on review comments and push changes.
 ➢ Implemented 60 test suites containing around 500+ test cases in the span of 18 months in team that mainly uses the Selenium Script to perform regression Testing.

- ➢ Provided training and mentorship to junior testers and interns ensuring consistent adherence to quality.
- ➢ Performed functional, integration, and regression testing to identify and report defects, ensuring software quality and stability Conducted risk analysis and prioritized testing efforts to ensure maximum coverage for critical software functionalities.
- ➢ Performed security testing and found issues before moving to security team or production.
- ➢ Involved in performance testing using JMeter like Load and concurrency testing.
- ➢ Collaborated with cross-functional teams, including developers, product owners, and business analysts, to clarify requirements and resolve issues.

ACHIEVEMENTS & ACCOMPLISHMENTS

- ➢ Certification in ISTQB AI Testing in Udemy.
- ➢ Received a Spot award for consistently high-quality work in DEMP Project and Automation and appreciation from Director, Managers, QA and DEV team.
- ➢ Received an appreciation from Stakeholders for API Automation in RCMS Project
- ➢ Certificate in web application penetration testing and in offensive approach to hunt bugs.
- ➢ Received an appreciation for finding critical and major bugs in bug bashes.

EDUCATION

Bachelor of Engineering:
- ➢ Bachelor Of Engineering in Information Science & Engineering.
- ➢ Bapuji Institute of Engineering and Technology, Davangere.
- ➢ Aug 2018 - Aug 2022
- ➢ 8.5 CGPA

Department of Pre-University Education:
- ➢ PUC – Science (PCMB)
- ➢ Karnataka Science college Dharwad
- ➢ Jun 2016 – Mar 2018
- ➢ 83.5%

Karnataka Secondary Education Examination Board:

- ➢ Lions English Medium, High School
- ➢ Mar 2016 Pass out.
- ➢ 91.84%

PERSONAL STANDARDS

- ➢ Capable to work as a single player as well as a team.
- ➢ Fast learner and good listener, like to work in Security Testing like bug bounty.
- ➢ Always thriving for new technology and any personal improvements.

ADDITIONAL INFORMATION

Mother Name - Manjula

Father Name   - Ninganagouda

Address   - Achamatti post, Saudatti taluk Belagavi karnataka - 591110.
